

What you need to know about bins in the Township of Melbourne

GARBAGE BIN

Your garbage bin can be **GREEN** or **BLACK**. You must provide your own bin. The municipality does not sell them. You can purchase your bin at any retail store.

It is necessary to choose a bin with a European grip because trucks are equipped with mechanized arms allowing a solid grip on the bins.

RECYCLING BIN

Our recycling **BLUE** bins are all belong to the Township of Melbourne and they must stay with the property they are related to. We provide one bin per address. In case of breakage, please notify us.

COMPOST BIN

The Township of Melbourne does not participate in the collection of home composting but strongly encourages its citizens to practice composting at home.

Visit our website for information on home composting.
