NEW BIN

STYROFOAM BINS or CONTAINERS

As announced in our last bulletin, the new Styrofoam bin is now installed in the Town Hall parking lot, near the municipal garage.

You can bring all the styrofoam you have at home, instead of sending it to the landfill. In collaboration with the EcoCenter and Soprema, the material that will be collected will be recycled and integrated into the manufacture of insulating panels.

A nice gesture for the environment!

INFO

Temporary car shelters and garages must be completely removed from your property. The deadline for removing these shelters was April 15th. Owners found at fault will be notified, and a fine may be applied if the request is not respected.
