Get the full details about available services by the ***MRC Val Saint-Francois*** on COVID-19

=====

In these difficult times, the Sûreté du Québec wishes to stay in direct contact with you and send you important information.

[Click here](#) to watch a video (french only) that deals with police interventions regarding breaches of current Quebec government laws and decrees. Watching this video will help you better and also reassure you.

The collaboration of all is vital to get through.
