

Events to highlight

TREE DAY

Congratulations to Mrs. Marie-Andrée Busque, winner of a *Marché Champêtre* gift certificate drawn from among the citizens who took part in Tree Day on Saturday, May 20th.

This annual event attracts many residents of our municipality, who also have the opportunity to take home some compost.

Several varieties of trees and conifers were available on the day, including late cherry, bur oak, red oak, red maple, white spruce and red pine. Over 300 trees were distributed.

The Tree Day is a sign of the arrival of warmer weather. It's important to plant trees because they reduce noise, purify the air we breathe and provide shade, coolness and privacy.

MEDAL FOR SENIOR RECOGNITION

On Saturday, May 13th, Mr. Donald Beard, a citizen of the Township of Melbourne, was awarded the « Lieutenant Governor's Medal for Seniors » during an official ceremony attended by the Honourable J. Michel Doyon. This recognition is a way to highlight the commitment to the community by an individual.

Donald Beard, who is known to all as Wally, was nominated by the council members to be honoured for his involvement in various organizations.

Volunteering has kept him busy as he is vice-president and an active member of the Expo Richmond Fair board of directors, a member of the Richmond branch of the Royal

Canadian Legion, and a member of the

Richmond Chamber of Commerce. He even found time to help decorate for the Christmas parade, and is always willing to give of his time to help others.

All his volunteer work can only have a positive impact on our community.

Congratulations Wally!

MINI ENTREPRENEURS DAY

On Saturday, June 3rd, the « *Marché Champêtre* » of Melbourne hosted a special day for young people.

For the occasion, **44 young entrepreneurs**, accompanied by family and friends, were present at the Market, to offer visitors a variety of original products.

This event gives young people aged 5 to 17 the opportunity to set up a small business. During the day, an area is reserved especially for them.

The 2023 edition was a great success, with many visitors coming exclusively to encourage these young people and take the opportunity to visit the Market.

Congratulations to everyone for their determination.

GARBAGE AND RECYCLING PICK UP

Since the beginning of 2023, the companies responsible for collecting household waste and recycling have experienced a few difficulties.

Indeed, on several occasions, the bins on certain roads in the municipality have not been emptied. We do our utmost to ensure that these services are provided as planned.

It's important **to notify us as soon as possible**, between 8 a.m. and 4 p.m. the following day, when you notice that the collection has not been made. Leave your bin at the roadside, as it is often possible to ask the company to complete the collection.

IMPORTANT: Only the contents of wheeled bins will be collected. Bags, boxes and items left on the ground will not be collected.
